ANNUAL COIN AND STAMP SHOW IN DUBUQUE - MAY 18

On Sunday, May 18, 1986 the Key City Coin Club and the Dubuque Stamp Club will hold their Annual Combined Coin and Stamp Show in Dubuque.

We expect that at least a minimum of 500 collectors and dealers will attend the show.

As part of that show we have set up an Information Booth for both the beginner and the advanced collector. This Booth will display material that can be taken by the public as they enter.

If you have any pamphlets, brochures, literature or publications explaining your organization or your service, that you would like to have distributed, we would be pleased to include them.

Simply mail the material to me and I will see that it is made available to visitors.

R. Holden, Co-Chairman

Getting Show Site Is Not Easy Letter From Don Mark 1986 ANNUAL CONVENTION

Dear Friends,

Please excuse the informal format of this letter, but I felt time is certainly running short and I should bring you up to date on the 1986 plans. Prior to our Waterloo show, we had what I thought were complete plans in place for this year's show. How wrong that was!

The Best Western Westmark Inn people called me in late fall unexpectedly one Monday and informed me they were unable to help us the weekend I had reserved due to other 'events' already scheduled. Also, their sales person, rather than get back to me later in that week, left on a cruise vacation instead.

So . . . negotiations with the new downtown Convention Center began. They have first rate facilities at reasonable space rental prices. Many other groups also share these sentiments, as most acceptable weekends in Sep-

tember and October are booked. However, I was offered a cancellation last Friday of the weekend of OCTOBER 10, 11, and 12. I took it!

Seldom in my work with coin shows have I felt the frustration this show has presented. We now have what I hope is a conflict-free weekend and the newest, sharpest convention facilities in the state. The biggest problem now appears to be an inevitable $30.00 per table charge for anyone using lights. However, we have booked the upstairs end room, available with three of four sides glass to the outdoors. I strongly feel most dealers will not need their lights and am proceeding accordingly.

Thanks to each of you for getting the news of this date and location change to all the clubs, dealers, collectors, etc. that may be affected. I'm sure your President, myself and many of you, will soon be working hard to plan for this show to be the 'best yet'.

See you in Ames March 1-2.

Don Mark

NOTES

1. Convention number until 1948, then the number is the Anniversary number as listed in reference material.

2. Silver Anniversary.

3. Cedar Rapids made an error! This convention had to be the 26th Anniversary convention.

The information listed above was gathered from the first of several books in the INA Historian's exhibit. I have just completed an inventory of the materials of the first notebook. To date, I now have an inventory of the coin, medals, paper money, and misc. numismatic items, as well as an inventory of the material in one notebook. My goal is to provide the INA a complete inventory of the material in the INA Historian's collection.

HELP! HELP! HELP! HELP!

If anyone has a program, a newspaper clipping, an INA Bulletin, or any other reference to any of the conventions listed above that does not have a program listed as a reference, or no record of a convention at all, PLEASE donate it to the INA! It will be 10 times more difficult to find it 10 years from now, plus it will make you feel great to know that you have helped the INA build a complete record of its history.

LOOKING FOR A SPEAKER?

If you are looking for a speaker for your coin club, perhaps the best place to look is right in your own club. You have knowledgeable guys and gals among your own peers. Next, check neighboring clubs, or perhaps better yet, call on your INA district director and put him to work addressing your group.

The following have been suggested as the first members of an INA Speakers Bureau. Call on them:
